

17th APOC Hong Kong – Tentative Conference Programme

4 November 2009 (Wednesday)

The Hong Kong Convention and Exhibition Centre & The Hong Kong Polytechnic University

09:00 – 17:00	APOC delegates are welcome to visit the Hong Kong Optical Fair 2009 Hall 1 & 3E, The Hong Kong Convention and Exhibition Centre, Wanchai, Hong Kong (Please identify your name as the delegate of The 17 th Asia Pacific Optometric Congress and The 7 th Hong Kong Optometric Conference)
16:30 – 18:00	Asia Pacific Council of Optometry General Delegates Meeting Room CD512, The Hong Kong Polytechnic University
18:00 – 19:00	Asia Pacific Council of Optometry Executive Committee Meeting Room CD512, The Hong Kong Polytechnic University
19:00 – 21:00	Asia Pacific Council of Optometry General Delegates Dinner Four Seas Restaurant, 14/F., Li Ka Shing Tower, The Hong Kong Polytechnic University

17th APOC Hong Kong – Tentative Conference Programme

5 November 2009 (Thursday)	
Meeting Room N101, The Hong Kong Convention and Exhibition Centre	
08:30 – 09:00	Registration
09:00 – 09:25	Welcome Ceremony
Moderator:	Prof. Barry Collin, Emeritus Professor, University of New South Wales (Australia) and Honorary Professor, School of Optometry, The Hong Kong Polytechnic University (Hong Kong SAR, China)
09:25 – 10:25	K.B. Woo Memorial Lecture APOC: a vital resource for the Asia Pacific Region – its development and future Prof. Marion Edwards (United Kingdom) Question & Answer
10:25 – 10:40	Tea break
Moderator:	Dr. Damien Smith AM, Optometrist (Private Practice) (Australia)
10:40 – 11:40	Invited Lecture I: Global positioning for the profession of optometry Dr. Anthony F. Di Stefano (USA) Question & Answer
11:40 – 12:40	Invited Lecture II: The structure-function relationship in glaucoma: old ideas, new opportunities Prof. John G. Flanagan (Canada) Question & Answer
12:40 – 14:15	Lunch Eighteen Brook Cantonese Cuisine, 8/F., Convention Plaza, Wanchai
Moderators:	Prof. Minbin Yu, Professor of Ophthalmology, Head of Department of Optometry and Vision Science and Deputy Director of Zhongshan Ophthalmic Center, Sun Yat-sen University (China) Dr. Andrew Lam, Associate Professor and Associate Head, School of Optometry, The Hong Kong Polytechnic University, (Hong Kong SAR, China)
14:15 – 14:45	Invited Lecture III: Perspective on basic eye research in China Prof. Jian Ge (China) Question & Answer
14:45 – 15:15	Invited Lecture IV: Optometry education in Tianjin Prof. Kan-xing Zhao (China) Question & Answer
15:15 – 15:45	Invited Lecture V: Empirical study on the effects of long wavelength light induced myopia Prof. Ren-yuan Chu (China) Question & Answer
15:45 – 16:15	Invited Lecture VI: The mechanism of myopia research and recent findings Prof. Jia Qu (China) Question & Answer
16:15 – 16:30	Tea Break
Moderator:	Prof. Gerald Lowther, Chair Professor of Vision Science, School of Optometry, The Hong Kong Polytechnic University, (Hong Kong SAR, China) and Professor Emeritus, Indiana University School of Optometry (USA)
16:30 – 17:30	Scientific Papers Session I: Clinical Practice I A Chinese experience Prof. Peter Swann (Hong Kong SAR, China) Encouraging optometrists to engage the community: expanding professional identity Prof. R. Norman Bailey (USA) Global attitudes and perceptions about vision care Mr. Jack Chan (Singapore)
19:15 – 22:30	Gala Dinner Theme: "China – Old and New" The Patio, Harbour Plaza Metropolis, Hunghom, Kowloon

17th APOC Hong Kong – Tentative Conference Programme

6 November 2009 (Friday)	
Chiang Chen Studio Theatre, The Hong Kong Polytechnic University	
Moderator:	Dr. Pauline Cho, Associate Professor, School of Optometry, The Hong Kong Polytechnic University (Hong Kong SAR, China)
08:45 – 09:45	Invited Lecture VII: Patient and practitioner compliance with silicone hydrogel and daily disposable lens replacement in the United States of America and Canada Dr. Kathy Dumbleton (Canada) Question & Answer
Moderator:	Mrs. Prema Chande, Principal, Lotus College of Optometry (India)
09:45 – 10:45	<u>Scientific Papers Session II: Paediatric & Binocular Vision</u> Developing a standard "UKM Related Reading Text Test" in Malay language to access reading ability among primary school children in Malaysia Dr. Rokiah Omar (Malaysia) Is the development eye movement test predictive of reading performance in Japanese children with reading disorders? Mr. Tomohito Okumura (Japan) Clinical insight into the better eyes of unilateral amblyopes Ms. Jameel Rizwana Hussain (India) Visual profiles of children with handwriting difficulties in Hong Kong Ms. Mabel M.P. Leung (Hong Kong SAR, China)
10:45 – 11:15	Tea Break & Poster Session Podium Level, Core A, The Hong Kong Polytechnic University
Moderator:	Dr. Akio Kanai, Chairman, International Affairs Committee, All Japan Optometric and Optical Association (AJOOA) (Japan) and Treasurer, Asia Pacific Council of Optometry
11:15 – 11:45	<u>Nikon Corporation Session</u> Latest trends with progressive addition lenses Mr. Takeyasu Hirose (Japan)
Moderator:	Prof. Norhani Mohidin, Dean, Faculty of Allied Health Sciences, Universiti Kebangsaan Malaysia (Malaysia)
11:45 – 12:45	<u>Scientific Papers Session III: Clinical Practice II</u> A novel clinical technique for subjective comparison of distant lateral distortion of progressive addition lens Dr. Kwok-hei Mok (Hong Kong SAR, China) The usefulness of spectral domain optical coherence tomography (Topcon 3D OCT) in private optometric practice Dr. Liang-hwee Koh (Singapore) Eccentric retinal thickness in myopic and non-myopic eyes Mr. Sam C.K. Cheng (Hong Kong SAR, China) Comparative study of different IOL implant techniques for refractive outcome Dr. Krishan K. Yadav (India)
12:45 – 14:15	Lunch Four Seas Restaurant, 14/F., Li Ka Shing Tower, The Hong Kong Polytechnic University
Moderator:	Mr. Ron Fyfe, Vice President, Asia Pacific Council of Optometry (New Zealand)
14:15 – 14:45	<u>Johnson & Johnson Vision Care Session</u> State of the art contact lens clinical performance equivalent to no lens wear Mr. Lawrence Kwan (Hong Kong SAR, China)
Moderator:	Dr. Kathy Dumbleton, Senior Clinical Scientist, University of Waterloo (Canada)
14:45 – 16:00	<u>Scientific Papers Session IV: Contact Lens Practice</u> To compare the visual performance of a multizone bifocal and a progressive multifocal contact lens in a group of successful contact lens wearers Mr. Somnath Ghosh (India) Do tear characteristics matter in continuous wear rigid gas permeable (Menicon Z-a) wear? A 6 months Malaysian perspective Ms. Set-fee Leong (Malaysia) ROMIO Study: short-term clinical performance of a super high Dk orthokeratology lens in young children Ms. Sin-wan Cheung (Hong Kong SAR, China) Corneal-thickness spatial profile and anterior chamber parameters to detect keratoconus Prof. Junwen Zeng (China) Toric design reverse geometry lenses for myopic astigmats – Preliminary results

17th APOC Hong Kong – Tentative Conference Programme

16:00 – 16:30	Ms. Connie Chen (Hong Kong SAR, China) Tea Break & Poster Session Podium Level, Core A, The Hong Kong Polytechnic University
Moderator:	Dr. Allen Cheong, Assistant Professor, School of Optometry, The Hong Kong Polytechnic University (Hong Kong SAR, China)
16:30 – 17:15	<u>Scientific Papers Session V: Visual Science</u> Pattern electroretinogram (PERG) responses in myopia Prof. Norhani Mohidin (Malaysia) Regional changes of electrical activity in human retina in response to optical defocus Mr. Wing-cheung Ho (Hong Kong SAR, China) Neuronal diversity of the normal mouse retina revealed by multispectral analysis Dr. Jacqueline Chua (Singapore)

17th APOC Hong Kong – Tentative Conference Programme

7 November 2009 (Saturday) Chiang Chen Studio Theatre, The Hong Kong Polytechnic University	
Moderator:	Dr. Shinji Seki, President, Kikuchi College of Optometry (Japan) and Past President, Asia Pacific Council of Optometry
08:45 – 09:45	Invited Lecture VIII: Is protecting clinical sovereignty the next big challenge for optometry? Dr. Damien Smith AM (Australia) Question & Answer
Moderator:	Dr. Kah-ooi Tan, Associate Programme Director in Optometry, School of Chemical & Life Sciences, Singapore Polytechnic (Singapore)
09:45 – 10:15	<u>Scientific Papers Session VI: Clinical Practice III</u> The journey study of Eye Care Professionals (ECP Journey study) Mr. Andy Lau (Hong Kong SAR, China) Optometry students: are you ready to face the real world? Ms. Jessie Sze-hui Tan (Singapore)
10:15 – 10:45	Tea Break & Poster Session Podium Level, Core A, The Hong Kong Polytechnic University
Moderator:	Prof. Carly Lam, Professor and Head, School of Optometry, The Hong Kong Polytechnic University (Hong Kong SAR, China)
10:45 – 11:15	<u>CooperVision Session</u> Soft contact lenses as an option for controlling the progression of myopia in children Dr. Arthur Back (USA)
Moderator:	Prof. Maurice Yap, Chairman, Chair Professor, School of Optometry, The Hong Kong Polytechnic University (Hong Kong SAR, China) and Education Committee Chair, World Council of Optometry
11:15 – 12:45	<u>Education Forum</u> Prof. Norhani Mohidin (Malaysia) Dr. Kah-ooi Tan (Singapore) Prof. Zhikuan Yang (China) Dr. Richard Wu (Taiwan) Prof. Yaping Gao (China)
12:45 – 14:15	Lunch Four Seas Restaurant, 14/F., Li Ka Shing Tower, The Hong Kong Polytechnic University
Moderators:	Prof. Ian Morgan, Professor, Research School of Biology, Australian National University (Australia) Prof. Mingguang He, Head, Preventive Ophthalmology, Zhongshan Ophthalmic Center (China)
14:15 – 15:30	<u>Myopia Symposium I</u> Retardation Of Myopia In Orthokeratology (ROMIO) study -- 6-month results Dr. Pauline Cho (Hong Kong SAR, China) The effect of orthokeratology on peripheral refraction Dr. Xinjie Mao (China) The modulation of eye growth by bi-directional defocus Dr. Dennis Y. Tse (Hong Kong SAR, China) Relative hyperopic defocus of the peripheral retina can influence the development of foveal refractive error for myopia Prof. Fan Lu (China) A clinical investigation on the effect of progressive addition lenses for juvenile myopia Dr. Lihua Li (China)
15:30 – 16:00	Tea Break & Poster Session Podium Level, Core A, The Hong Kong Polytechnic University
Moderators:	Prof. Fan Lu, Executive Dean, School of Ophthalmology and Optometry, Wenzhou Medical College (China) Prof. Chi-ho To, Professor, School of Optometry, The Hong Kong Polytechnic University (Hong Kong SAR, China)
16:00 – 17:15	<u>Myopia Symposium II</u> The relationship between refractive error, axial length and peripheral refraction in myopic children Dr. Jinhua Bao (China) Effect of parental myopia versus environmental influence on children's myopia -- analysis of myopia prevalence in two generations Ms. Fan Xiang (Australia) Increased time outdoors reduces the development of myopia -- epidemiological and biological evidence

17th APOC Hong Kong – Tentative Conference Programme

Prof. Ian Morgan (Australia)

The Guangzhou Outdoor Activity Longitudinal (GOAL) study

Prof. Mingguang He (China)

Custom transepithelial "no-touch" (cTEN) surface ablation in the treatment of myopic astigmatism with the 1000 Hz iVIS-Suite system

Dr. Shihao Chen (China)

17:15 – 17:20

Closing Remarks

17:20 – 18:00

Visit at the Optometry Clinic & Research Laboratory

Remarks: The organizer reserves the right to alter the topic/content/speaker of the programme without prior notice.
